

PROFESSIONAL LIABILITY INSURANCE (PLI) REQUIREMENT AND EMPLOYER PLI COVERAGE FORM

All individuals holding a CSASK practising, provisional, temporary, or cross-provincial practice licence are required to hold Professional Liability Insurance (PLI) coverage:

- of a minimum of two-million dollars per claim per year;
- that is maintained throughout the period of licensure;
- that covers the individual registrant’s entire practice of audiology or speech-language pathology. An individual’s entire practice refers to all professional services provided by the registrant including, but not limited to private, public, paid, or unpaid services offered.

Registrants must notify CSASK of any changes in personal and professional information pertaining to their licence, including any changes in PLI coverage.

The required PLI coverage may be:

- a) obtained by the individual registrant directly; or
- b) provided indirectly through the group policy of an employing agency,

How to Obtain Coverage

CSASK neither provides nor endorses PLI providers. Registrants are responsible for conducting their own research to ensure policies provide adequate coverage and meet the requirements as set out by CSASK.

In addition to the minimum PLI coverage above, registrants providing private services are advised to research and obtain additional coverages that are suitable to their practice (e.g., Commercial General Liability, Cyber Security, Privacy Breach, etc.).

Examples for PLI coverage include, but are not limited to the following:

- a) directly through an insurance broker that provides liability insurance to health care professionals. (e.g.: LloydSadd, CJ Campbell Insurance, Westland MyGroup, etc.).
- b) Speech-Language & Audiology Canada (SAC) offers PLI for its members.
