

Chit Chat Speech Therapy is seeking dedicated and passionate Speech-Language Pathologists to join our team! Full time or part time options are available. The ideal candidates will have experience and interest in providing assessment and therapy to toddler, preschool and school age children with speech and language disorders in our brand-new clinic space located in a medical building. This role requires the SLP to work closely with parents and caregivers when assessing, presenting diagnosis, and providing treatment and consultation/home strategies. Strong communication skills and ability to build connections with both families and clients is very important and is at the heart of our services. Willingness to learn and seek out new research/evidence-based approaches for therapy and assessment to provide high quality services for the clients you will work with is highly valued.

Why choose Chit Chat Speech Therapy?

- The ability to select your own schedule within flexible working hours
- The flexibility to choose your own caseload of clients
- Professional development and mentorship opportunities
- The opportunity to work in a collaborative, professional and fun environment
- Competitive per session (hour session) rate as an independent contractor
  - \$83-\$90 per hour/session depending on experience
- Access to in house office supplies and therapy materials (toys, games, sensory equipment, electronic resources etc.)
- Use of our clinical management system for scheduling, charting, billing, and appointment reminders
- Waitlist of clients ready to be seen and scheduled
- The opportunity to work in a brand-new clinic space with multiple, spacious therapy rooms, sensory room and staff room
- Supervision can be provided for provisional CSASK licensure and ASHA Certificate of Clinical Competency (CCC) if candidates require

Successful candidates will possess the following:

- A master's degree in Speech-Language Pathology from an accredited program
- Relevant clinical experience working with pediatric clients is preferred
- Strong understanding of neurodiversity-affirming and child-led therapy is an asset
- Excellent interpersonal skills to effectively communicate with clients, families and other professionals
- Registration and good standing with or eligible for registration with the College of Speech Language Pathologists and Audiologists of Saskatchewan (CSASK)
- Desire to grow and learn as a Speech-Language Pathologist and work collaboratively with other professionals and family members
- Provide a current Criminal Record/Vulnerable Sector Check

To apply, please submit your resume and cover letter on or before **May 8th, 2026** to Jayden Fenrich at [jayden@chitchatspeechtherapysk.com](mailto:jayden@chitchatspeechtherapysk.com) We look forward to chatting! ☺
