

This application pathway is for recent graduates (**within three years of graduation**) of a Canadian accredited university program, who are not registered as an audiologist or speech-language pathologist in another regulated Canadian jurisdiction. The Council for Accreditation of Canadian University Programs in Audiology and Speech-Language Pathology ([CACUP-ASLP](#)) lists the accreditation status of university programs in Canada.

Applicants following this pathway may be approved to practice under a provisional licence while they meet the entry-to-practice requirements (period of supervised practice and examination). The CSASK provisional registration is intended as a transitional status to allow a person to obtain the necessary requirements for registration in the practising category and expires the earliest of:

- a) two years; or
- b) upon failure for the third time to achieve a passing score on the CETP exam.

IMPORTANT INFORMATION TO ENSURE A SMOOTH AND TIMELY APPLICATION PROCESS

- Start the application process early to allow for sufficient processing time prior to the anticipated employment or volunteer start date.
- Review the language proficiency requirement if applicable.
- Information requested from a third-party (ex. university, employer, regulatory body or college), **must** be sent directly to the CSASK office.
- CSASK will only begin reviewing your application once payment of the **non-refundable** application and assessment fees, and all required documents have been received.
- Applications are processed within **10 business days** of receiving payment and all required documents.
- A licence is only issued once all requirements for registration and licensure have been met.
- CSASK maintains a remote workplace in which electronic documents constitute the official records of the college. Any physical documents received by CSASK will not be returned to applicants. Upon receipt, **all original documents will be digitized and then securely destroyed.**

Audiologists and speech-language pathologists must be approved for registration and licensure with CSASK prior to working/volunteering/ consulting and using the professional titles in Saskatchewan.

APPLICATION STEPS:

1. Go to the [CSASK website](#) and click **Apply Now** under the **Applicants** tab. Then, select **Sign up** to create an account.
2. Complete the online application.
3. Arrange for the following documents to be sent directly to CSASK by the third party:

English Language Proficiency

Applicants who have **not** graduated from an **English** university program accredited by CACUP-ASLP, must provide evidence of meeting the English language proficiency requirement by:

- providing proof of completion of a minimum of three **consecutive** years of full time post-secondary education in English (as evidenced on the official transcripts); or
- requesting results from one of the following third-party assessments:
 - iBT TOEFL
 - CELPIP
 - OET (SLPs only)
 - IELTS (AC or GC)
 - PTE

Refer to the **Registration Requirements** section under the **Applicants** tab on the [CSASK website](#) for more information on the English Language Proficiency requirement.

Official Convocated Transcripts

Request official convocated graduate transcripts.

Applicants whose degrees have not yet been conferred, but who have completed the academic and clinical requirements of the program, may request a letter from the university program stating the completion date of program requirements and the anticipated convocation while awaiting the official transcripts.

Summary of Supervised Clinical Practice Hours

Download the *Summary of Supervised Clinical Practice Hours* form and provide it to the university for completion and submission.
