

aim Job posting

Speech-Language Pathologist The AIM (Ability in Me) Program, Saskatoon, SK

**AIM is looking to fill 1 SLP position 0.4 FTE (2 days/week)
Work from home or from our Saskatoon office while providing virtual SLP
services to AIM learners living outside of Saskatoon.
This position offers the opportunity to support children and youth across
Saskatchewan through AIM's virtual service delivery model.**

Professional Qualifications:

- SLP Master degree required
- Must be eligible for, and licensed by, the College of Speech-Language Pathologists and Audiologists of Saskatchewan (CSASK).

Perks of Working at AIM:

- No travel, No evenings, No weekends
- Opportunity to collaborate with other AIM professionals (SLPs, Teachers, Music Therapist, OT).
- Work and specialize in a specific population (Down syndrome).
- Ability to form long term connections and see direct progress of clients.
- Prep and documentation time is factored into schedules. Daily schedules will never be overrun with paperwork. Minimal required assessments and reporting.

Submit a cover letter and resume to executivedirector@aimprogram.ca to apply

Start Date: ASAP
