

Speech-Language Pathologist Opportunities

AbleCare Services is seeking passionate Speech-Language Pathologists to join our team serving First Nations communities within Treaty 4 Territory in southeast Saskatchewan.

We are committed to providing high-quality, culturally responsive speech and language services to children and families while working collaboratively with community partners. If you are looking for a rewarding role where you can make a meaningful impact, we'd love to hear from you. We provide a hybrid model of direct and on- site service in schools. On- site service is required within Early Learning services. Positions may include a combination of Early Learning and School age opportunities or focus on services for a specific age range.

Current Opportunities

Serving early learners in Health Clinics, Daycares, and Headstarts aged birth to 5 years

- 0.6 FTE On-site services

Serving preschool and school-aged children within Treaty 4 First Nations

- 1.0 FTE
- Hybrid service delivery:
 - Minimum 0.25 FTE on-site
 - Approximately 0.75 FTE virtual service delivery

Responsibilities

- Complete speech and language assessments.
- Develop and implement individualized intervention plans.
- Collaborate with families, educators, and community partners.
- Provide consultation and support to caregivers and school teams.
- Maintain clinical documentation and reports.
- Work collaboratively within a multidisciplinary team.

Qualifications

- Master's degree in Speech-Language Pathology (or equivalent).
- Eligible for and licensed by the College of Speech-Language Pathologists and Audiologists of Saskatchewan (CSASK)
- Valid Class 5 driver's license and reliable transportation.
- Experience providing remote services and supervising Speech-Language Pathology Assistants is considered an asset.

Our Team

AbleCare Services works alongside a multidisciplinary team that includes Parents, School Staff, Psychologists, Occupational Therapists, Art Therapists, Social and Play Therapists, School staff, Public Health Nurses, and Speech-Language Pathology Assistants to support children and families across the communities we serve.

Compensation

Competitive compensation commensurate with education, experience, and qualifications. Temporary salaried employment and/or subcontracts considered with intent to continue into the 2027- 2028 school year.

Start Date: As soon as possible.
